The Minor in History consists of the successful completion of seven History courses:

1. **Geographic Distribution**

For the purposes of the major requirements applicable to the class of 2023 and earlier, most courses fall into one of four areas: (1) United States (designated *Major Dist: US* in the course listing below); (2) Europe (designated *Major Dist: EUR* in the course listing below); (3) Africa, Asia, Latin America and the Caribbean (designated *Major Dist: AALAC* in the course listing); or (4) Interregional and Comparative (designated *Major Dist: INTER* in the course listing below).

Your seven History courses must contain at least one course from each of the following areas:

- a. United States
- b. Europe
- c. Africa, Asia, Latin America & Caribbean
- d. Interregional

2. **Chronological Distribution**

Your seven courses must contain at least two pre-1800 courses. In the course listing, courses fulfilling the pre-1800 requirement are designated <1800.

3. **Seminar or Colloquia**

All Minors must complete one course involving advanced historical practice which will represent the culminating experience. Most students meet this requirement by enrolling in HIST 96, a small course (normally capped at 12) that allows students to work closely with a faculty member and to produce a final project that represents either original research in primary sources or (with colloquia) a historiographical contribution to the existing scholarly literature.

Enrollment in seminars is by instructor permission only. This permission is issued by the professor teaching the course. When completing this worksheet, students should contact the professor teaching the seminar they wish to take in order to inquire about the enrollment process and to be placed on the waitlist.

4. **Field of Concentration**

All Minors are encouraged to identify an area of concentration within the broad field of History. Establishing a critical mass of classes each related to a geographic, chronological or thematic concentration will enhance a student's ability to develop expertise and make connections. One of these must be a culminating experience in the form of a HIST 96.

Limits and Exclusions to the Minor in History:

- At least five History courses must be taken in residence at Dartmouth College, one of them being HIST 96.
- [HIST 7](#) (First-Year Seminar) and [HIST 99](#) (Honors Thesis) may not be counted toward the History minor.
- Students may not use more than three seminars and colloquia (HIST 96) and two independent study courses ([HIST 97](#)) in satisfying the requirements of the History Minor.
- The Department will consider approving transfer credits for History majors/minors and non-majors only for History courses taken at institutions with which Dartmouth College has institutional exchange programs (see Regulations section of the ORC).
- Only transfer students may receive credit for courses taken at other colleges or universities prior to matriculation at Dartmouth.
